INFORMATION OF INTEREST

The current strong Belgo-Thai friendship goes back to the crucial role of the Belgian diplomat [Gustave Rolin-Jaequemyns](#) who negotiated and safeguarded the Thai autonomy in 1893 (Thailand is the only SE Asian country that was never colonized by a Western country) and guided the constitutional reform leading to the current modern society of Thailand.

Prof. Dr. em Patrick Sorgeloos received the title Commander of the Most Noble Order of the Crown of Thailand from the Late King of Thailand (2000), the highest decoration bestowed to non-Thai citizens, for his instrumental role in the development of the aquaculture research and industry of Thailand.
